HITCHIN BEER & CIDER FESTIVAL 2023

Welcome back to another Hitchin Beer and Cider festival.

This festival would not be possible without our dedicated team. Our event is run completely by volunteers who put a lot of time and effort into planning, setting up, and hosting you when the festival is running, all for pleasure (and a few drinks). Here's a summary of what has happened on site before you arrive: We raise the marquees and assemble equipment from CAMRA head office and our own festival stores; we rack the ales to start settling in the main marquee; we also rack ciders & perries and set up the coolers and jackets to keep everything at the right temperature; craft and international beers arrive too; then our bar managers sample every beer, cider & perry to make sure they are in perfect condition (it's a tough job!). We don't serve anything that isn't just right for sale.

This year we again have three sessions, from Thursday at 5 PM. You may see our pub and brewer friends sampling a few before the first session — they deserve it! Friday and Saturday start at noon. Tickets are available on arrival or packages for all sessions are available in advance up to one hour before each session to include festival entry, a 2023 festival glass—pint or stemmed half-pint as preferred—and the first £10 of drinks tokens. Only advanced package purchases will guarantee entry to any particular session, so best buy ahead if you can. **Advance ticket buyers, please ensure you bring your ticket(s) on paper or phone.** This edition of the programme includes the final drinks list and is also available on **CAMRA North Herts' website** northherts.camra.org.uk/

The proceeds of the festival are shared equally between CAMRA North Herts and Hitchin Rugby Club. We are both not for profit organisations: the Rugby Club is committed to promoting inclusive rugby to all age groups within Hitchin and CAMRA North Herts champions fine Real Ale, Cider & Perry and provides a voice for local pubs & breweries.

Our sponsors also have a key role in making this festival possible. Many thanks to all our sponsors, who are featured throughout the programme and around the event.

Thank you all for supporting this festival, and as always, please drink responsibly.

Cheers!

FESTIVAL INFORMATION

ADVICE FOR NEWCOMERS AND REMINDERS FOR RETURNING VISITORS

A few hints for newcomers to Hitchin or beer festivals in general. You'll have a choice of real ales, world beers, craft beers, real cider & perry and mead all at marked bars. Tackle the beers with aplomb, but if you are unsure what to try, speak to one of our volunteers – they will be delighted to give guidance and answer questions.

Be guided by the ABV (alcohol by volume) of the products on sale. In general higher numbers mean stronger flavours and more alcohol. We suggest you start with beers under 4.5% ABV and work upwards to appreciate the flavours more. There are also alcohol-free and low-alcohol beers at the World Beers bar. Beers and ciders are sold in thirds, halves, and pints. Ciders are normally stronger as are some of the bottled world beers, so beware if they're new to you. Mead's servings are 125ml. Drink plenty of water and eat some food too—plenty from vendors!

ON SITE

We hope you'll find everything easily, but here are some tips. If you've bought in advance, you'll be scanned into the marquee, issued a session-specific wristband, issued your glass and tokens and then can head to the bars. Buying on the day? Just pay for entrance, glass and tokens as you arrive.

CAMRA MERCHANDISE & MEMBERSHIP STALLS

We have a strong offering again this year with merchandise from both national CAMRA, books and collectibles, and North Herts Branch supported by Artystar, who'll also be doing live screenprinting in their gazebo. Not a member? Join here for all the benefits *plus* 2 free pints of cask ale or real cider on the day!

SPONSORS

We are glad to have attracted a wide variety of local companies and individuals to sponsor the souvenir glasses, the volunteers' T-Shirts, the programme and tokens, sessions and many of the drinks themselves. They are featured in this guide, online, in social media and around the event. Many thanks to all of them for supporting us.

YOUR VOLUNTEERS

Special thanks go to all our CAMRA and Rugby Club volunteers who give up their time to make this festival possible. This year's volunteers can be identified from their emerald green shirts adorned with the Festival logo on the front and our shirt sponsor's, Modern Networks, on the back.

YOUR SAFETY

Our priority is to ensure the safety of our visitors, suppliers, volunteers and staff, whilst ensuring you have a great beer festival experience. Volunteers will carry out regular cleaning and hand sanitiser will be available.

Respiratory Infections

If you have a cold, cough, or COVID-19, we encourage you to stay home so that you do not spread your infection to others.

First Aid

There will be two first aiders at the site, identified with armbands, as well as their volunteers' shirt. If you feel unwell, or need medical attention, please make your way to the first aid point at Front of House.

Incidents & Emergencies

If you hear one of the organisers repeatedly shouting "Fire, fire, fire" you should go to the first assembly point, immediately, at the top end of the rugby pitches. This will be clearly signed. If there is a high wind, or the threat of lightning strikes, the event will close, and all visitors will be asked to go home.

Do NOT put your life in danger. Always report incidents or emergencies to one of the organisers, so that they can contact the emergency services if necessary.

CODE OF CONDUCT

CAMRA wants everyone to enjoy festivals in a welcoming and inclusive environment. That's why they have introduced a new Festival Code of Conduct, which we follow, as does CAMRA's main national event, the Great British Beer Festival. If you are subject to, or observe, unacceptable behaviour, please report it to the Front of House Manager.

OTHER IMPORTANT INFORMATION

GLASSES

There will be glasses to collect on arrival. If you've pre-booked, you're guaranteed a Hitchin 2023 oversized pint or stemmed half. Otherwise, you may get one from past local and national festivals. There's a deposit or charge and you can keep the last glass or return as you wish. Please drink up early if you're planning to return a glass at session's end.

PAYMENT

Payment for drinks is via tokens on cards, whether pre-purchased or bought on arrival. We operate a cashless system – contactless or chip & PIN debit and credit card payments. This will be for entrance and glasses, plus initial and subsequent token cards. Please ensure that you bring a card as means of payment, as we may be unable to accept cash.

REFUNDS

We are proud to support **Feed Up Warm Up** as our nominated charity. You're invited to donate any part-used token cards before you leave, which funds will go directly to this great, local cause. Otherwise, please ask for refunds from the dedicated stand in the clubhouse.

CLOSING TIMES

We will be calling LAST ORDERS at 22:40 Thursday & Friday and 21:40 on Saturday. 'TIME' will be called at 23:00 on Thursday & Friday and 22:00 on Saturday, when bars will close. Please drink up and claim any refunds by 15 minutes after TIME and leave the site promptly, before heading safely home.

IF YOU ENJOY OUR FESTIVAL, WHY NOT VISIT THE BIG ONE!

SO WHAT'S TO DRINK?

The full and final list of the drinks is in the centre of the programme. Here's an outline of what's on offer.

CHOICE AND QUALITY

That's at the very heart of what CAMRA is about. So, we have a wide range of styles. Our volunteer bar managers ensure we have a balanced range available for you. There are **100** real ales, from **over 50** breweries and **23** draft craft beers. Then there are **44** ciders and perries, **72** international beers, from as far afield as Estonia and Japan, **7** no/low alcohol beers from 0-0.5% and a couple of spontaneously fermented beers from the local Crossover Blendery. There are also **8** meads.

We do all we can to maximise the range, but some beers take longer to be in their best condition, while others some may sell out before the end of the festival. When the drink you want is not available, please ask if we have something similar or be adventurous!

CASK ALE BAR

Our cask ale selection includes real ales from independent UK brewers and you will notice that this year we have once again provided a selection of local beers. Please try some of them and look out for them in the pubs up and down the county.

WORLD BEER BAR

Our international beer selection has examples of the most distinctive and individualistic beer styles in the world such as Trappist, Lambic and wheat beers, pale ales, brown ales, and lagers. Please take time to study the World Beer list and discover what is out there.

CIDER, PERRY & MEAD BAR

The cider bar is serving tastebud-shattering products from craft Cider & Perry producers. Please take care with the high ABV drinks, as they are much stronger than they taste! Back by popular demand is mead as well.

CRAFT BEER BAR

Served from what are commonly known as KeyKegs, (which is a brand), we have **Real Ale** in a different kind of dispensing container. A KeyKeg is a bag within an outer plastic sphere pressurized with gas. The gas never comes into contact with the beer! Give it a try!

ALCOHOL-FREE, LOW-ALCOHOL BEERS & SOFT DRINKS

Go to the World Beer Bar for the beers. For soft drinks, go to the Rugby Club bar or the food vendors on site.

AND TO EAT? OR ANYTHING ELSE?

There will be food vendors catering for a variety of tastes with vegetarian options. And, if you'd like to try something else to drink, there's a mobile spritz bar on site.
